Importance of Music in difficult times

We believe music can change lives, enabling lifelong participation and enjoyment, impacting on well-being and good mental health. In these difficult times music can play a major role in keeping spirits high. 'Notes' will give you simple ideas to engage pupils in and outside of the school setting.

Pupils Voice in Music Plans

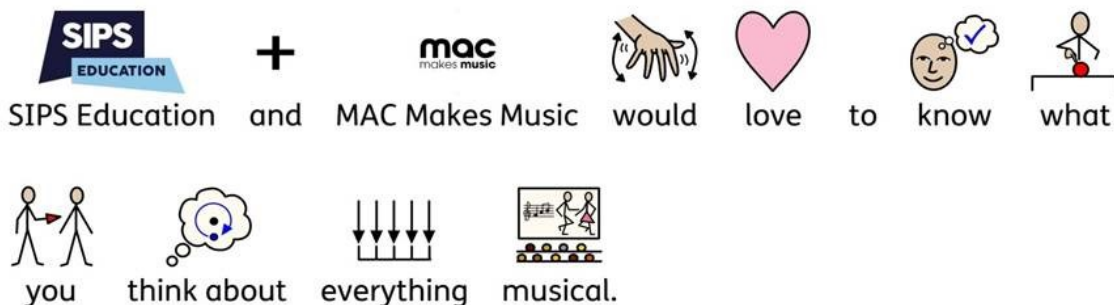

We are working in partnership with MAC Makes Music looking how we can incorporate pupil voice in our offer to schools and young people. This global pandemic has caused great disruption to pupils education, we hope to take a deeper look at music delivery and our offers across Sandwell and would really value your support.

The following links are to a music survey for pupils. **Can you please share it with your colleagues across school** . It may be a great activity and discussion point in your classrooms on how music has helped pupils during the last year. The questions have been created by young musicians, head teachers of Primary/Special/Secondary/Virtual schools.

Secondary: <https://forms.gle/shGviFdMdW2RnNtL6>
Special Schools <https://forms.gle/jea5uLZqIm1xCjBo7>

MAC Makes Music have helped us use a tool called 'easy read' which ensure many children can access the survey. Eg

We hope as many pupils as possible take part in this Sandwell Music Survey and look forward to sharing the results with Sandwell schools.

Thank you for your continued support in SIPS Education Music & Arts Service
