Dear all members and families of Music Centre

It has been superb to welcome all musicians back rehearsing in person this term. We've really enjoyed seeing and hearing the ensembles together in the same room and all credit to them in the development they have already established.

Currently West Bromwich Town Hall is undergoing refurbishment and we hope to recommence performing there later in the academic year.

This term all musicians have the opportunity to showcase their ensembles progress in our 'Christmas in the Community' performance series. Many of the performances are part of events in the local community celebrating this time of year enabling you to see and hear the musicians safely performing live.

We hope the musicians continue to enjoy making music at music centre and we look forward to hearing the results of their efforts in the coming weeks.

Best wishes
