SIPS Music and Arts Service Brochure 2022/2023

INTRODUCTION

We are SIPS Music and Arts Service, with 50 years' experience of making music with thousands of children across Sandwell.

HARNESSING THE POWER OF CREATIVITY AND EXPRESSION IN MUSIC AND THE ARTS

Welcome to our 2022/23 service brochure

We continue to work with Sandwell schools to build and support their music offer. It is our goal to encourage every school in Sandwell to work with us, so that there is an equity of opportunity for children to learn a musical instrument during their time at school. As well as employing 46 music teacher specialists, we are dedicated in providing music training for Sandwell teachers to develop their key skills and knowledge of music teaching to meet the needs and requirements of Music education in your school.

We are working with local partners to create more exciting large-scale events for children in our area. We have diversified our Advisory board and our Equity, Diversity and Inclusion strategy continues to develop with support and guidance from MAC Makes Music. We have brought Youth Voice into our decision-making processes through an annual School survey for children and young people. We believe music can change lives, enabling lifelong participation and enjoyment, impacting on wellbeing and good mental health.

36% of our workforce went to school and learnt an instrument in a Sandwell school, as a service we are proud of our community and understand its needs. We are committed to ensuring equality of opportunity for all pupils, regardless of race, gender, parental income, whether they have additional needs or disabilities or they are a child in care.

Like schools, we are committed to self-improvement as a learning organisation. Our range of services for schools are supported further by the highly subsidised opportunities that exist outside of school for Sandwell's children, including music 12 progressive bands, choirs and orchestras. In 22-23 we aim to introduce SIPS Community Music Clubs and Choirs to support our commitment to support cultural development in and across Sandwell communities.

This brochure will support and inform you of music services available to your school and the wider community.

If you require additional information about your school's music programme, please do not hesitate to get in touch.

SCHOOL PROFESSIONAL DEVELOPMENT IN MUSIC : £ 237

Becoming A Singing School

We believe that singing is the most inclusive form of music making. Every child has a voice and can be motivated to sing.

This package offers every primary or special school one half day vocal specialist support. This support is designed to upskill teachers and kick start singing in your school. This half day offer is flexible to support either KS1 or KS2 singing. It is further supported by a massed singing events in your school assembly time

Teaching classroom music in Primary school

This is a practical CPD session that will introduce musical instrumental games and activities to use in the classroom. Skills and activities based around rhythm and beat, musical elements of pitch, dynamics, timbre, tempo and structure will also be explored.

The course will also look at how to use instruments when composing, song writing and creating soundscapes

Staff Wellbeing: Percussion and Voice/ Bamboo Tamboo

This staff meeting session aims to develop cooperation, collaboration and well being of adults through drumming and singing and voice care

Music Deep Dives

This CPD offer explores the implications of a deep dive in music. School staff or SLT will look at effective music teaching in line with the new Ofsted framework potential questions and areas where subject music leads can share the impact, implementation and intent of their school music offer.

Musical Listening Across Your School

"Listening to music is fundamental to musical understanding" MMC 2021

Become a listening school and celebrate culture, diversity and traditional music genres across your school, understanding

WORKSHOPS

Many schools are looking to offer new musical experiences for their pupils through our workshops.

Sangreet Asian Creation

£620

We have created a project where pupils:

- Learn about the culture of classical Indian music
- Learn, listen and play the instruments of Indian classical music.
- Use their voice to sing and traditional instruments to make Asian music
- Creative and improvise their own pieces of music
- Rehearse and perform on dhol drums /bells/ voice to an audience

Details of Project

- » This project is for six one-hour sessions – 1hr each week for six weeks
- » Delivered by one of our Asian specialist music teachers
- » For KS2 pupils (+ possibly Year 2) 30 pupils
